GLOBAL

UPRISING

FOR TIBET

RISE UP

RESIST

RETURN

Join the Global Uprising and help show China and the world that Tibetan freedom is inevitable

In the lead up to the Beijing Olympics, Tibetans and their supporters are taking action to make sure the global spotlight is focused squarely on China's occupation of Tibet. This March 10th, exiled Tibetans in India will launch a return march home to Tibet; while in Greece, the Tibetan Freedom torch will be lit at the birthplace of the Olympic Games.
